DE Die Kollektion Rough besticht durch ihren rebellischen Charakter und die Philosophie „Weniger ist mehr“. Ihr Design ist kraftvoll und modern, ergänzt durch natürlich anmutende Farben, die jedem Raum eine stilvolle, zeitgemäße Note verleihen. Die Kollektion umfasst eine vielseitige Auswahl, darunter auch hängende Pflanzgefäße sowie Pflanztöpfe mit stilvollen Holzfüßen.

EN The Rough collection stands out with its rebellious character and a „less is more“ philosophy. Its design is bold and modern, complemented by naturally inspired colors that add a stylish, contemporary touch to any space. The collection offers a versatile range of options, including hanging planters and plant pots with elegant wooden legs.

Material Fiberclay

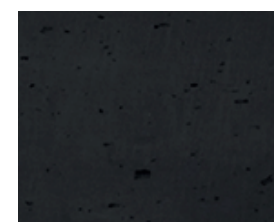

DE Fiberclay kombiniert die natürliche Ästhetik von Ton mit der Leichtigkeit und Robustheit von Glasfaser. Die Töpfe wirken wie Keramik, sind jedoch leichter und widerstehen Feuchtigkeit, Frost und Sonne über viele Jahre. Im Vergleich zu Fiberstone enthält Fiberclay keinen Sand oder zerkleinerten Stein, bleibt aber ebenso stilvoll und langlebig.

EN Fiberclay is a combination of clay and glass fiber and is therefore called clayfibre. A fiberclay pot often has a similar appearance to a pot made of earthenware or clay, but is lighter thanks to the addition of fiberglass. Clayfibre flower pots are also extremely resistant to moisture, frost and sun, and last for many years. Fiberclay can be compared to ficonstone, with the difference that sand and crushed stone are also added.

ropes - hanging rough

Elevate your living space effortlessly with our hanging sets. The ropes, **approximately 60cm in length**, guarantee a seamless and stylish display in any room. While the pots and models come in various sizes, they all come with the same length of rope, with slight variations due to the knots on either end.
